A. V. FAIR 2009 GROOMING & FITTING:

It is the intent of the Antelope Valley Fair to promote the junior livestock exhibitors learning experience while participating at the fair. The revision to this rule and the enforcing of it will hopefully create a learning environment for all.

RULES:

Junior exhibitors are expected to groom and care for their animal(s) while at the fair. They shall not accept assistance from adults and non-exhibiting youth unless the assistance is of a verbal nature. When a junior exhibitor (owner) is actively engaged they may receive assistance from another current AV Fair large livestock junior exhibitor.

ENFORCEMENT:

The Fair Management states no person, other than a current AV Fair large livestock junior exhibitor, shall perform any clipping, grooming or fitting of an animal while on the fairgrounds. Physical assistance in this process is limited by the above exception. Verbal assistance is encouraged and accepted. Fair management and leaders will use their discretion in the supervision and enforcement of this rule. Junior exhibitors, who for extraordinary reasons cannot weigh, fit or show their animal, must contact the Fair management in writing prior to the date of fair. The management will therefore decide if that individual can have assistance in fitting, grooming or the showing of that animal. If additional assistance is approved, the exhibitor must notify the livestock office in writing who will be assisting. Feeding of animals and cleaning of pens for exhibitors in school is an exception that is approved by fair management.

SWINE ONLY MAY BE CLIPPED IN THE PEN IF THE SHEARING IS DONE WITH BATTERY OPERATED SHEARS. NO ELECTRIC SHEARS OR GENERATORS MAY BE USED.

Violation to the above rules may result in disqualification from the Junior Livestock Auction and/or Showmanship.
