

GET READY - AUCTION ON!

No one can predict when life will return to normal. However, when it does, we are confident that our shared sense of community, and love of supporting local youth will resume stronger than ever. This is why we are moving forward with plans of hosting the Kiwanis Jr. Livestock Auction on Thursday, August 27, 2020, at the Antelope Valley Fairgrounds.

If you, your child or children are planning on participating in this year's live auction, we encourage you to purchase, care and train animals per the traditional pre-event schedule. As always, when purchasing an animal for auction, use common sense when making this investment. As is tradition, the standard rules, terms and conditions for participating in the 2020 Kiwanis Jr. Livestock Auction will apply. The risk and benefits of an animal purchase rests solely on the participants. Livestock auction rules and conditions can be found in the 2020 Antelope Valley Fair & Alfalfa Exhibitor book. We hope to see you at the 2020 Kiwanis Jr. Livestock Auction, where we encourage folks to "Bid High and Buy Often!"
