Antelope Valley Fair 2021 Virtual Bridal Show

The AV Fair & Event Center is pleased to announce the 17th Annual Bridal Show - virtually. This year's virtual thirty-one-day event will take place March 1st through March 31st. This virtual experience will offer a single one stop on- line portal, featuring several online industry vendor links, social media giveaways, raffles, gift cards and more.

Participating on-line vendors will provide insights, services and products ranging from invitations, to wedding cakes, transportation, photography, flowers, decorations, music options, jewelry to catering services. Vendors looking to participate in the event must register by February 22,2021.

During the thirty-one-day virtual event, brides, grooms, wedding planners and anyone who's part of wedding planning will have access to see all that local and regional vendors have to offer. Many of the participating vendors will be offering exclusive discounts, giveaways and gift baskets.

According to the Event Coordinator, Linda Erb, "For seventeen years the AV Fair & Event Center has had the honor of hosting the community's largest bridal show. In the past, we've partnered with the best and most prestigious wedding event professionals in the region. All of us in this industry are passionate about what we do and how we do it. Although it's very different this year, love always prevails and we're all here to inspire and help brides, grooms, their friends and families plan a perfect wedding, reception and honeymoon."

The AV Fair & Event Center will also host on-line bridal event sweepstakes and promotions throughout the month of March. There will be a limited number bridal swag bags available for just \$15.00 while supplies last.

For all Bridal Show information contact Linda Erb at 661-948-6060. Ext 123 or visit www.avfair.com Be sure to follow AV Fair & Event Center on Twitter and Instagram @AVFairgrounds.
