TANNER ROCKEY

Rockey/Shaffstall/Modesto Milling Scholarship

Tanner Rocky donated his "Organic fed" hog to be auctioned off at the 2017 Livestock Auction with the intention of the proceeds to be used for scholarship funds. Since that day Mr. Steve Shaffstall has agreed to provide a hog (should one be available) for Tanner to raise and continue this as a yearly fund-raiser. Andrea Kaldhusdal, with Modesto Milling, has secured organic feed for the 2019 "Scholarship Hog". The 2017 hog was auctioned off for over \$8,000, and the 2018 hog went for over \$17,000. It is our desire to raise as much money as possible each year and disperse the full amount to qualified students for the following year with this program. We would like to award this money during the Kiwanis Livestock Jr. Auction. With continuing community support, we are hopeful to maintain this scholarship for years to come.
