## How to Buy at the Junior Livestock Auction

1. Obtain your buyer card (T-Card) from the registration table located at the front entrance of the R. Rex Parris Show Arena. New buyers must register before they are able to bid, and pay the non-refundable registration fee required.
2. Make your bid by raising your buyer card, hand or by voice.
3. After making your purchase, you will be given an invoice for signature and directions for disposition of the animal. Make sure that your name, company name and buyer number are correct before signing the invoice. Options for animal disposition are as follows:
  - A. **Custom Slaughter:** If you want the animal slaughtered for your own use, the committee will transport it to the meat processor of your choice. Only processors listed on the invoice are available to use at this auction.
  - B. **Buy Back Option:** If not wanted for personal use, you may choose to have the JLA Committee resell your animal. Your cost will be the difference between your total price bid and the packers contract price (buy back price) announced the day of the auction.
  - C. **Donated Animals:** At this time, only hogs are available for donation. Your donation will go to Kids Feeding Kids, which has the animals processed and then given to SAVES in Palmdale and Grace Resource Center in Lancaster, in order to provide fresh protein to those less fortunate in our valley.
4. Pay for your purchase in the Auction Office located behind the Show Arena. You may pay via cash, Visa, Mastercard, American Express, Discover or by check payable to the Junior Livestock Auction. If you do not settle the night of the auction, you will be sent an invoice for your purchases. Any accounts unpaid after 30 days following the auction will be charged an annual fee of 18% (at a rate of 1.5% per month).
5. The seller is **NOT** permitted to buy back or trade animals after the animal is sold. Any attempt to do so may void sale. No animal may be removed from grounds without the written authorization of the Livestock Superintendent.
6. This is a **TERMINAL** auction. All large livestock animals auctioned will be sent to a federal or state inspection facility for slaughter before being returned to a butcher shop for cut and wrap.
7. **If a sold market animal dies from the time the animal is purchased at the auction, loading after auction, in transport to the processors, or after arrival at the plant, an animal will be substituted at the same weight, or more, or the buyer may choose to be reimbursed the resale price for the lost animal (not the purchase price.)**
8. **\*\*Disclaimer:** The scale used for weighing our animals is a "Fairbanks Reliant Floor Scale", it is not "Type Approved" as a commercial livestock scale in the State of California, but it is approved as "General Purpose" scale. The scale has been tested and certified as accurate by the Los Angeles County Weights and Measures.
9. Add-ons require that you complete an add-on form and submit immediate payment. Forms are available at the registration table and may be turned into the ringside staff. You may also make your add-ons online through [www.avfair.com](http://www.avfair.com)
