

July 15, 2025

Dear Local Artists,

Hello to all of our local artists! The Antelope Valley Fair and its theme of ***The Pig-Ture Perfect Fair*** will take place at the Antelope Valley Fair & Event Center from September 24-28, 2025. This year due to the construction of the new Parris Center we will only be producing two stages for our best local talent. The Community Stage will be in the La Plaza area this year and will host the best of the best community acts. Our local professional music groups will be performing on stage at the Lilac Lawn in the center of the Fairgrounds.

If you or your group are interested in appearing on one of our stages, please fill out the application at avfair.com by August 18th. Be sure to check which stage and performance opportunity you are interested in.

The choices are:

1. Community Stage in La Plaza (Non-Paid Acts)
2. Professional Performances at the Lilac Lawn (Paid Acts selected by audition materials)

Time slots are very limited this year so everything is on a "first come, first served" basis, based on receipt of your application. All applications are due by August 18th. Performance offers will go out via email by August 25th.

The AV Fair Production team will be providing all lights, sound, and management for the stages. The Antelope Valley Fair production team will place acts on the stage that best fits the artistic concept of the stage and the needs of this year's fair. A participant list must be submitted for the day requested. We will confirm appearance times by September 1st. At that time, you will also receive additional information regarding performances and logistics. ***Please be sure your contact person listed can make scheduling decisions.***

Forms must be submitted online at avfair.com. If you have any questions, please email Jessica@avfairproductions.com. We look forward to Celebrating with everyone and can't wait to have ***"The Pig-Ture Perfect Fair"***

Sincerely,

Jessica Gonzalez
